

REBECCA GELLER

INTERN

Rebecca is a junior at Byram Hills High School who is passionate about helping others and effecting global change. She wants to help refugees and immigrants receive the same experiences that she is privileged to have. Rebecca is also affiliated with another Jewish organization, J-teen, where she serves as the Associate Chair of Philanthropy. She works to empower and inspire Jewish teens from all backgrounds with leadership training and also participates in community service.

In her free time, she plays tennis on the Byram Hills Varsity Tennis Team, which she has been a part of since her sophomore year of high school. As a Social Media Intern, Rebecca hopes to learn more about advertising and marketing.
