

MARILYN RAIDER

ADMINISTRATIVE ASSISTANT

A graduate of NYU, Marilyn is a Long Island native now living in Riverdale, after spending many years of her adult life in Germany, raising her two wonderful children. As of October 31 of this year, Marilyn will be retired from her full-time job at the Riverdale YM/YWHA where she spent the last 16 years as Human Resources Director and Grants Administrator.

Previous occupations include computer programmer, ESL teacher, and NYC tour guide. She has been a member of the Riverdale Repertory Theater since 2007, fulfilling a lifelong (albeit secret) dream of being on the stage. She comes to WJCI with a passion for bringing about change in the immigrant experience by helping them through the tumult of starting new lives.
